To jest jedna z publikacji stworzonych z okazji moich pięćdziesiątych urodzin. Pisanie bezznaczeniowe to sposób na ekspresję (np. mojego gniewu czy też mojej traumy), albo po prostu sposób na poszukiwanie piękna. Nie mam warsztatu, więc to co mam uznaję za wystarczający warsztat. Być może niektóre prace są słabe, albo nawet się powtarzają, mam to gdzieś. Zachęcam do doceniania pisania bezznaczeniowego.
